He was in their academic career senior researcher in Probability and Mathematical Statistics before and then a senior researcher in Economic Statistics at University Niccolò Cusano. Carlo's academic interests are methodologically in Machine Learning, both Unsupervised and Supervised Learning, and in applicate themes on Energy, Health, and Social Economic Themes such as Poverty. Carlo has recently published in top Internationals Journals, among others, on Scientific Reports, Energy Policy, Ecological Economics, Business Strategy and the Environment, Technovation, Energy Research, and Social Science, Quality & Quantity, Journal of Sustainable Tourism, Cliometrica. Carlo bibliometric indexes are 1547 citations, and h-index 20 (Google Scholar), and 738 citations and an h-index 14 (Scopus). Rome, 13/10/2023

WORK EXPERIENCE

- Date May 2021 to present
- Name and address of employer *Joint Research Project "Green Agrifood PMI" University Tor Vergata CEIS, University of Cassino and University "Niccolò Cusano", Rome (cofinanced by the Regione Lazio by the programme POR FESR Lazio 2014-2020 Action 1.2.1 (Lazio Innova, call "Gruppi di ricerca 2020")*
 - Type of business or sector Research
 - Occupation or position held Associate Researcher /Professor in Economic Statistics
- Main activities and responsibilities Research
 - Date October 2023 to present
 - Type of business or sector Education and Research

- Occupation or position held Senior Lecturer in Machine Learning at the PhD program “Civil and Industrial Engineering” and “Territory Innovation and Sustainability”
- Main activities and responsibilities Teaching
 - Date May 2023 to present
- Name and address of employer *Università degli Studi “Niccolò Cusano”*
 - Type of business or sector *Education*
 - Occupation or position held Member of the Academic Review Group
- Main activities and responsibilities Academic Review
 - Date January 2023 to present
- Name and address of employer *Università degli Studi “Niccolò Cusano”*
 - Type of business or sector *Education*
 - Occupation or position held ERASMUS Coordinator Economics Area (jointly with prof. Scozzari)
- Main activities and responsibilities Teaching and Research
 - Date November 2022 to present
- Name and address of employer *Università degli Studi “Niccolò Cusano”*
 - Type of business or sector *Education*
 - Occupation or position held Associate Professor in Economic Statistics (13/D2 – Sector SECS – S/03)
- Main activities and responsibilities Teaching and Research
 - Date October 2022
- Name and address of employer *CERISMAS – Università Cattolica del Sacro Cuore*
 - Type of business or sector *Education*
 - Occupation or position held *Guest Lecturer in Big Data Analysis in Healthcare*
- Main activities and responsibilities Teaching
 - Date May 2023- August 2023
- Name and address of employer *ATHENA European University*
 - Type of business or sector *Education*
 - Occupation or position held *Lecturer/ Professor in Data Analytics for Decision-Making*
- Main activities and responsibilities Teaching
 - Date March 2023-April 2023
- Name and address of employer *Università degli Studi “Niccolò Cusano”*
 - Type of business or sector *Education\ Research*
 - Occupation or position held *Associate Researcher in the Employee Wellbeing Survey*
- Main activities and responsibilities Research
 - Date February 2022-September 2022
- Type of business or sector *Government*
- Occupation or position held *Member of the working group "Market Competition Innovation" of the Technical Panel on Industrial Policies of the Ministry of Economic Development. Component free of charge from 1/2/2022 to 21/10/2022 (Membro del gruppo di lavoro "Mercato Concorrenza Innovazione" del Tavolo Tecnico sulle politiche industriali del Ministero dello Sviluppo Economico. Componente a titolo gratuito dal 1/2/2022 al 21/10/2022)*
- Main activities and responsibilities Research
 - Date December 2021 to January 2022
- Name and address of employer *Università degli Studi di Cassino*
 - Type of business or sector *Education*
 - Occupation or position held *Lecturer in Statistics for Finance on the MSc in “Programmazione finanziaria e controllo nella Pubblica Amministrazione”*
- Main activities and responsibilities Teaching

- Date December 2021
 - Name and address of employer TStat Srl.
 - Type of business or sector Education
 - Occupation or position held Lecturer in Deep Learning
- Main activities and responsibilities Teaching

- Date November 2021
 - Name and address of employer CERISMAS – Università Cattolica del Sacro Cuore
 - Type of business or sector Education
 - Occupation or position held Guest Lecturer in Big Data Analysis in Healthcare
- Main activities and responsibilities Teaching

- Date 3 September 2021 to 13 June 2022
 - Name and address of employer JRC European Commission
 - Type of business or sector Research
 - Occupation or position held Expert
- Main activities and responsibilities Research

- Date 1 April 2021 to 3 May 2021
 - Name and address of employer University of Osijek (Croatia)
 - Type of business or sector Education and Research
 - Occupation or position held Erasmus Professor
- Main activities and responsibilities Teaching and Research

- Date 10 May 2021 to June 2021
 - Name and address of employer Logista S.P.A Italia
 - Type of business or sector Business
 - Occupation or position held Lecturer in Machine Learning with R
- Main activities and responsibilities Teaching

- Date 1 March 2021 to 1 April 2021
 - Name and address of employer Università Grenoble Alpes, Grenoble-Valence (France)
 - Type of business or sector Education and Research
 - Occupation or position held Visiting Professor
- Main activities and responsibilities Teaching and Research

- Date 1 February 2021 to July 2021
 - Name and address of employer SIDE – Italian Econometric Association
 - Type of business or sector Education and Research
 - Occupation or position held Lecturer in Machine Learning and Text Mining for Economists
- Main activities and responsibilities Teaching and Research

- Date 1 February 2021 to present
 - Name and address of employer Università di Roma “Niccolò Cusano” (Specialization course “Superior Technician in Fire Prevention”).
 - Type of business or sector Education and Research
 - Occupation or position held Lecturer in Computer Science for Engineers
- Main activities and responsibilities Teaching and Research

- Date 1 November 2020 to 1 April 2021

- Name and address of employer Fondazione INUIT Tor Vergata
 - Type of business or sector Education and Research
 - Occupation or position held Lecturer in Data Science and Artificial Intelligence
- Main activities and responsibilities Teaching and Research

- Date 1 July 2019 (confirmed on 1 July 2022) to present
- Name and address of employer Università di Roma "Niccolò Cusano". (MSc in Economics)
 - Type of business or sector Education and Research
 - Occupation or position held Senior Researcher\ Assistant Professor in Economic Statistics (SECS/S 03)
- Main activities and responsibilities Teaching and Research

- Date 1 July 2019 to present
- Name and address of employer Università di Roma "Niccolò Cusano". (BSc in Civil, Industrial and Electronic and Computer Engineering)
 - Type of business or sector Education and Research
 - Occupation or position held Lecturer in Probability and Statistics (MAT/06)
- Main activities and responsibilities Teaching and Research

- Date May 2014 (confirmed in May 2017) to 7 May 2019
- Name and address of employer Università di Roma "Niccolò Cusano". (BSc in Civil and Industrial Engineering)
 - Type of business or sector Education and Research
 - Occupation or position held Senior Researcher\ Assistant Professor in Probability and Statistics (MAT/06)
- Main activities and responsibilities Teaching and Research

- Date July 2017 to September 2021
- Name and address of employer NCI University in London (UK)
 - Type of business or sector Education and Research
 - Occupation or position held Reader in Research Methods and Statistics (currently taught "Quantitative Business Analysis" and "Quantitative Research Methods" – on the BA Hons in "Global Management and International Business", part of the faculty of Business and Management teaching both at the BA and MSc level)
- Main activities and responsibilities Teaching and Research

- Date May 2018 to present
- Name and address of employer Università di Roma "Niccolò Cusano"
 - Type of business or sector Education and Research
 - Occupation or position held Lecturer in Artificial Intelligence for Law and Economics – Ph.D. program in Law and Cognitive Neuroscience
- Main activities and responsibilities Teaching

- Date June 2018 to present
- Name and address of employer Università di Roma "Niccolò Cusano"
 - Type of business or sector Education and Research
 - Occupation or position held Lecturer in Statistics for Behavioral Finance – MSc in Behavioral Finance
- Main activities and responsibilities Teaching

- Date August 2017 to present
- Name and address of employer *Università di Roma "Niccolò Cusano"*
 - Type of business or sector Education and Research
 - Occupation or position held Lecturer in Data Mining and Machine Learning
- Main activities and responsibilities Teaching

- Date December 2017 to June 2018
- Name and address of employer *CED Center for Economic Development & Social Change*
 - Type of business or sector Research
 - Occupation or position held Researcher
- Main activities and responsibilities Research

- Date August 2016 to present
- Name and address of employer *Università di Roma "Niccolò Cusano"*
 - Type of business or sector Education and Research
 - Occupation or position held Lecturer in Data Analysis (MSc Data Analyst -Career Track)
- Main activities and responsibilities Teaching

- Date August 2016 to present
- Name and address of employer *Università di Roma "Niccolò Cusano"*
 - Type of business or sector Education and Research
 - Occupation or position held Lecturer in Elements of Computer Science (MSc Network Security)
 - *Main activities and responsibilities* Teaching

- Date October 2017 to December 2020
- *Name and address of employer* *Università Cattolica del Sacro Cuore*
 - *Type of business or sector* *Education and Research*
 - *Occupation or position held* Lecturer in Statistical Models for Emergency Management
- Main activities and responsibilities Teaching

- Date August 2016 to present
- *Name and address of employer* *University di Roma "Niccolò Cusano"*
 - *Type of business or sector* Education and Research
 - *Occupation or position held* Lecturer in Economic Statistics (Economics – English Language Programme)
- Main activities and responsibilities Teaching and Research

- Date August 2016 to present
- Name and address of employer *University di Roma "Niccolò Cusano"*
 - Type of business or sector Education and Research
 - *Occupation or position held* Lecturer in Statistics (Economics – English Language Programme)
- Main activities and responsibilities Teaching and Research

- Date August 2016 to present
- *Name and address of employer* *University di Roma "Niccolò Cusano"*
 - *Type of business or sector* Education and Research
 - *Occupation or position held* Lecturer in Computing (Economics – English Language Programme)
- *Main activities and responsibilities* Teaching and Research

- Date December 2020
- *Name and address of employer* *CERISMAS – Università Cattolica del Sacro Cuore*
 - *Type of business or sector* Education
 - *Occupation or position held* Guest Lecturer in Big Data Analysis in Healthcare
- *Main activities and responsibilities* Teaching

- Date July 2019
 - Name and address of employer IRCRES-CNR
 - Type of business or sector Education
 - Occupation or position held Lecturer in Machine Learning (Text Mining – Summer School Tools and methods analyzing complex Science, Technology and Innovation (STI) systems: A gentle introduction to Machine Learning (ML), Network Science (NS) and Text Mining (TM))
- Main activities and responsibilities Teaching

- Name and address of employer *Université Grenoble-Alpes (France)*
 - Type of business or sector Education and Research
 - Occupation or position held Visiting Professor (ERASMUS Exchange programme)
 - Main activities and responsibilities Teaching

- Date April 2018 to May 2018
 - Name and address of employer *Osijek University (Croatia)*
 - Type of business or sector Education and Research
 - Occupation or position held Visiting Lecturer (ERASMUS Exchange programme)
- Main activities and responsibilities Teaching

- Date April 2017
 - Name and address of employer *University of Oporto (Portugal)*
 - Type of business or sector Education and Research
 - Occupation or position held Visiting Lecturer (ERASMUS Exchange programme)
- Main activities and responsibilities Teaching

- Date *July 2017 to present*
 - Name and address of employer *Università di Roma “Niccolò Cusano”*
 - Type of business or sector Education and Research
 - Occupation or position held Lecturer in the PhD program “Civil and Industrial Engineering”
- Main activities and responsibilities Teaching

- Date *February 2017 to present*
 - Name and address of employer *Università di Roma “Niccolò Cusano”*
 - Type of business or sector Education
 - Occupation or position held Lecturer in Medical Image Processing and Analysis (MSc in K Breast Cancer Screening)
- Main activities and responsibilities Teaching

- Date February 2017 to 31 December 2020
 - Name and address of employer *Università Cattolica del Sacro Cuore - ALTEMS*
 - Type of business or sector Research
 - Occupation or position held Visiting Researcher
- Main activities and responsibilities Research

- Date January 2016 to January 2017
 - Name and address of employer *Università Cattolica del Sacro Cuore - ALTEMS*
 - Type of business or sector Research
 - Occupation or position held *Researcher*
- Main activities and responsibilities Research

- Date *January 2017 to present*
 - Name and address of employer *University of Rome "Niccolò Cusano". (BSc in Economics)*
 - Type of business or sector *Education and Research*
 - Occupation or position held *Lecturer in Computing (INF/01)*
 - Main activities and responsibilities *Teaching and Research*

- Date *December 2015 to present*
 - Name and address of employer *Ipazia Scientific Observatory on Gender Issues*
 - Type of business or sector *Research*
 - Occupation or position held *Research Associate\ Statistician*
 - Main activities and responsibilities *Research*

- Date *February 2017 to today*
 - Name and address of employer *University of Rome "Niccolò Cusano"*
 - Type of business or sector *Education*
 - Occupation or position held *Lecturer in the PhD program "Governance And Management For Business Innovation"*
 - Main activities and responsibilities *Teaching*

- Date *August 2015 to present*
 - Name and address of employer *University of Rome "Niccolò Cusano" (MSc in Health Care Management)*
 - Type of business or sector *Education*
 - Occupation or position held *Lecturer in Statistics for the Experimental Research and Technology*
 - Main activities and responsibilities *Teaching*

- Date *December 2014 to present*
 - Name and address of employer *University of Rome "Niccolò Cusano".*
 - Type of business or sector *Education and Research*
 - Occupation or position held *Data Scientist\Statistician*
 - Main activities and responsibilities *Research (Statistics Office)*

- Date *October 2014 to present and from October 2016 to present*
 - Name and address of employer *University of Rome "Niccolò Cusano". (BSc in Civil, Industrial Engineering and Electronic and Computer Engineering)*
 - Type of business or sector *Education and Research*
 - Occupation or position held *Lecturer in Computing (INF/01) (formerly Lecturer\Co-Lecturer in Applications in Computing for Engineers)*
 - Main activities and responsibilities *Teaching and Research*

- Date *May 2015 to December 2018*
 - Name and address of employer *University of Rome "Niccolò Cusano".*
 - Type of business or sector *Research*
 - Occupation or position held *Statistician*
 - Main activities and responsibilities *Research (Laboratory Research Department – Foundation Niccolò Cusano for Medical and Scientific Research)*

- Date *July 2013 to May 2014*
 - Name and address of employer *University of Rome "Niccolò Cusano": (BSc in Civil Engineering)*
 - Type of business or sector *Education and Research*
 - Occupation or position held *Adjunct Professor in Probability and Statistics (MAT/06)*

- Main activities and responsibilities Teaching and Research
 - Date October 2012 to May 2014
 - Name and address of employer Università degli Studi di Napoli “Federico II”: Department of Mathematics and Statistics (1st January 2013 Department of Economics and Statistics)
 - Type of business or sector Education and Research
 - Occupation or position held Research Fellow in Statistics
 - Main activities and responsibilities Teaching and Research

- Date March 2012
 - Name and address of employer Università degli Studi di Napoli “Federico II”
 - Type of business or sector Education and Research
 - Occupation or position held Department Fellow in Statistics
 - Main activities and responsibilities Teaching and Research

- Date August 2012 to present
 - Name and address of employer Italian National Institute of Statistics (ISTAT)
 - Type of business or sector Public Administration
 - Occupation or position held Visiting Statistician
 - Main activities and responsibilities Research

- Date April 2012 to July 2012
 - Name and address of employer Bocconi University
 - Type of business or sector Research
 - Occupation or position held Research Assistant in Statistics and Econometrics
 - Main activities and responsibilities Data Analysis (Research)

- Date December 2011 to November 2012
 - Name and address of employer Università degli Studi di Napoli “Federico II”: Department of Mathematics and Statistics
 - Type of business or sector Research (University)
 - Occupation or position held Research Assistant in Statistics
 - Main activities and responsibilities Research (development of methodology, applications and software applied to PLS path modelling)

- Date May 2012 to June 2012
 - Name and address of employer CNR-IRAT
 - Type of business or sector Research
 - Occupation or position held Visiting Statistician
 - Main activities and responsibilities Data Analysis (Research on social network analysis)

- Date October 2012 to present
 - Name and address of employer IPE Istituto per l’Educazione\IPE Business School (Master in Finanza Avanzata e Risk Management)
 - Type of business or sector Education
 - Occupation or position held Lecturer in Quantitative Methods
 - Main activities and responsibilities Teaching

- Name and address of employer Università degli Studi di Napoli “Federico II”: Department of Mathematics and Statistics

- Type of business or sector Education and Research
 - Occupation or position held PhD in Statistics (Defense February 2012) Area of Specialization: Multivariate Statistics.
 - Main activities and responsibilities Research and Teaching (Statistics (Base\Advanced), Multivariate Statistics, Time Series Analysis, Advanced Econometrics, Linear Models)
-
- Date January 2011-to April 2011
 - Name and address of employer AIFI Associazione Italiana Private Equity e Venture Capital
 - Type of business or sector Finance
 - Occupation or position held Consultant in Statistics and Econometrics
 - Main activities and responsibilities Data Analysis (Research)
-
- Date August 2010 to October 2010
 - Name and address of employer ANCE Confindustria
 - Type of business or sector Housing \ Business
 - Occupation or position held Consultant in Statistics and Econometrics
 - Main activities and responsibilities Data Analysis (Research)
-
- Date October 2009- September 2010
 - Name and address of employer Institute de Investigacion Tecnologica
(IIT) Escuela Tecnica Superior de Ingenieria, ICAI, Universidad Pontificia Comillas
(Madrid - Spain)
 - Type of business or sector Research
 - Occupation or position held Visiting Scholar and Researcher in the Research Project "Improving Economic Forecasting. A new approach based on symbolic data and Bayesian models" and Responsible for the Risk Management Research area (jointly with Professor Carlos Matè).
 - Main activities and responsibilities Data Analysis (Research)
-
- Date August 2009-September 2010
 - Name and address of employer Institute de Investigacion Tecnologica (IIT) Escuela Tecnica Superior de Ingenieria, ICAI, Universidad Pontificia Comillas
(Madrid - Spain)
 - Type of business or sector Research
 - Occupation or position held Visiting Scholar
 - Main activities and responsibilities Data Analysis (Research)
-
- Date April 2010
 - Name and address of employer Bocconi University
 - Type of business or sector Research
 - Occupation or position held Research Assistant in Statistics and Econometrics
 - Main activities and responsibilities Data Analysis (Research)
-
- Date January 2008- January 2009
 - Name and address of employer I-Com Institute for the Competition (Istituto per la Competitività)
 - Type of business or sector Consultancy and Research
 - Occupation or position held Researcher in Finance
 - Main activities and responsibilities Data Analysis (Research)
-
- Date January 2001- January 2008
 - Name and address of employer SED University of Rome Tor Vergata (Servizio Elaborazione Data – Settore Formazione)
 - Type of business or sector Education
 - Occupation or position held Senior Instructor in Computing
 - Main activities and responsibilities Teaching
-
- Date January 2004-December 2005
 - Name and address of employer Istituto Superiore di Sanità
 - Type of business or sector Research

- Occupation or position held Research Assistant
 - Main activities and responsibilities Data Analysis
-
- Date July 2003 – December 2003
 - Name and address of employer Mondadori Informatica
 - Type of business or sector Business and Consultancy
 - Occupation or position held Teacher
 - Main activities and responsibilities Teaching
-
- Date January 2000- January 2001
 - Name and address of employer ARCI \ CGIL National Headquarters
 - Type of business or sector Trade Union
 - Occupation or position held Researcher
 - Main activities and responsibilities Econometrician\ Statistician
-
- Date September 2000
 - Name and address of employer IRES
 - Type of business or sector Research
 - Occupation or position held Researcher
 - Main activities and responsibilities Econometrician\ Statistician
-
- Date May 1997-December 1998
 - Name and address of employer Istituto Superiore di Sanità
 - Type of business or sector Research
 - Occupation or position held Research Assistant
 - Main activities and responsibilities Data Analysis

EDUCATION AND TRAINING

- Dates October 2012-December 2013
 - Name and type of organisation providing education and training SAS Institute and Università degli Studi di Napoli “Federico II”
Nome e tipo di istituto di istruzione o formazione
 - Principal subjects/occupational skills covered SAS
 - Title of qualification awarded SAS Training
 - Level in national or international classification
-
- Dates December 2008- February 2012
 - Name and type of organisation providing education and training Università degli Studi di Napoli “Federico II”
Nome e tipo di istituto di istruzione o formazione
 - Principal subjects/occupational skills covered Statistics, Mathematics, Computing, Data-Mining, Machine Learning, Econometrics
 - Title of qualification awarded Dottorato in Statistica (PhD in Statistics)

- Dates June 2008
 - Name and type of organisation providing education and training Nova Universitas
 - Principal subjects/occupational skills covered Tutorial on Symbolic Data Analysis and the Sodas software (Computational Statistics)
 - Title of qualification awarded Attendance Certificate (Certificato di frequenza)
 - Level in national or international classification
-
- Dates July 2006
 - Name and type of organisation providing education and training Nova Universitas
 - Principal subjects/occupational skills covered Advanced Course on Knowledge Extraction by Interval Data Analysis (Computational Statistics)
 - Title of qualification awarded Attendance Certificate (Certificato di frequenza)
 - Level in national or international classification
-
- Dates July –August 1997, 1998, 1999, 2000, 2002, 2003, 2004
 - Name and type of organisation providing education and training London School of Economics
 - Principal subjects/occupational skills covered Economics, Finance and Econometrics
 - Title of qualification awarded Examination assessment during the LSE Economics Summer School (and Attendance)
 - Level in national or international classification
-
- Dates July –August 2001
 - Name and type of organisation providing education and training Open University/ Nottingham University/ Stirling University
 - Principal subjects/occupational skills covered Pure Mathematics and Mathematical Methods, Models and Modelling
 - Title of qualification awarded Attendance Certificate (Summer School)
 - Level in national or international classification
-
- Dates February 1999 – December 1999
 - Name and type of organisation providing education and training Open University
 - Principal subjects/occupational skills covered Elements of Statistics, Using Mathematics
 - Title of qualification awarded Examination Assessment (Faculty of Mathematics and Computing)
 - Level in national or international classification
-
- Dates October 2000, June 2006
 - Name and type of organisation providing education and training Statacorp
 - Principal subjects/occupational skills covered Advanced Stata Programming, Introduction to Univariate Time Series with Stata
 - Title of qualification awarded Attendance Certificate
 - Level in national or international classification
-
- Dates September 2000 – September 2000
 - Name and type of organisation providing education and training Mondadori Informatica
 - Principal subjects/occupational skills covered Mastering Microsoft Access Programming ed Access XP Expert
 - Level in national or international classification

- Title of qualification awarded Attendance Certificate
 - Level in national or international classification
-
- Dates July 2003, 2006
 - Name and type of organisation providing education and training Universitat Pompeu Fabra
 - Principal subjects/occupational skills covered Economics, Finance and Econometrics
- Title of qualification awarded Attendance Certificate
 - Level in national or international classification
-
- Dates July 2007
 - Name and type of organisation providing education and training Barcelona Graduate School Economics (GSE)
 - Principal subjects/occupational skills covered Empirical Banking
- Title of qualification awarded Attendance Certificate
 - Level in national or international classification
-
- Dates June 2001 – August 2001
 - Name and type of organisation providing education and training University of California Berkeley
 - Principal subjects/occupational skills covered Mathematics and Computing
- Title of qualification awarded Attendance
 - Level in national or international classification
-
- Dates May 2004, 2008
 - Name and type of organisation providing education and training Università degli Studi di Bologna
 - Principal subjects/occupational skills covered Mathematical Finance
- Title of qualification awarded Attendance (Spring School in Mathematical Finance)
 - Level in national or international classification
-
- Dates August 2003, 2004
 - Name and type of organisation providing education and training IES Europe Università Aix - En Provence
 - Principal subjects/occupational skills covered Philosophy, Law, Economics and Politics
- Title of qualification awarded Attendance (Summer Seminars)
 - Level in national or international classification
-
- Dates January 2008 – December 2008
 - Name and type of organisation providing education and training La Salle Universitat Ramon Llull

- Principal subjects/occupational skills covered
 - Title of qualification awarded
 - Level in national or international classification
- Dates
 • Name and type of organisation providing education and training
- Principal subjects/occupational skills covered
 - Title of qualification awarded
 - Level in national or international classification
- Dates
 • Name and type of organisation providing education and training
- Principal subjects/occupational skills covered
 - Title of qualification awarded
 - Level in national or international classification

System Dynamics

Advanced System Dynamics Official Certificate (Attendance and Assessment)

January 2008 – December 2008

La Salle Universitat Ramon Llull

Industrial Dynamics

Industrial Dynamics Official Certificate (Attendance and Assessment)

January 2003 – December 2003

Politecnica Universitat Catalunya

System Dynamics

Certificate in System Dynamics (Attendance and Assessment)

PERSONAL SKILLS AND COMPETENCES

MOTHER TONGUE(S)

ITALIAN

OTHER LANGUAGE(S)

ENGLISH

- Understanding VERY GOOD (*Common European Framework of Reference CEFR: C2*)
- Writing GOOD (CEFR: C1)
- Speaking VERY GOOD (CEFR: C1)

FRENCH

- Understanding GOOD (*Common European Framework of Reference CEFR: B2*)
- Writing Introductory (CEFR: B1)

Social skills and competences

Research work in groups with members with different skills (acquired in the research work carried out between 2005 and 2013)

participation and involvement in conferences and scientific Italian and International (acquired in the research work carried out between 2005 and 2013)

communication of scientific results to the media (acquired in the research work carried out between 2005 and 2013)

Organisational skills and competences

management and coordination of working groups

coordination and project administration

teaching and public speaking in conference and official events

teaching and consulting at the enterprise level

Technical skills and competences

research and scientific communication (reporting, writing scientific articles etc.)

analysis and construction of econometric models (using professional software)

statistical analysis of data (using professional software)

preparation of economic forecasts based on models (using professional software)

construction of databases (using professional software)

construction of simulation models and optimization (using professional software)

**Computer skills and
competences**

Statistics : R/S-PLUS, SAS, STATA, SPSS, SPAD, XLSTAT, E-VIEWS, GRETL, MICROFIT,
SODAS

Mathematics: MATLAB, MATHEMATICA, MAXIMA CAS, UCINET, PAJEK

Simulation: VENSIM

Scientific Programming Languages : R and OCTAVE/MATLAB.

Programming Languages: C\C++ (Introductory), Python

IFKAD 2017, 2020, 2022, 2023 Conference, IPAZIA 2016-2018, and CARMA 2020 among others.

I also served as Chair or Discussant in various national and international conferences and workshops, between the others EALE 2008\2009 European Conference of Law and Economics, 2009 conference of Econometrics and Empirical Economics 2009\2010\2012, SIDE-ISLE conference of Italian Society of Law and Economics 2010, IFKAD 2022, I-COM seminars 2008, CESifo-Delphi Conferences on Financial Markets, Corporate Governance and Macroeconomic Outcomes 2009, Workshop on Networks, Power and Relations, 2017, AIQUAV Italian Association for the Study of the Quality of Life, Ipazia workshop on Culture and Gender Issues 2016-2018, IFKAD (2023) between others

In April 2021 I am part of the proposal of a new PhD program: as member on the Board (Collegio del Dottorato) in Gestione della trasformazione digitale: Imprese, Comunicazione ed Etica (Digital Innovation Management: Business, Communication and Ethics) – University “Niccolò Cusano” Rome. The proposal was evaluated by the Italian Ministry of Education, Research, and University.

From August 2021 to present I am part of the proposal as member of the Board (Collegio del Dottorato) of the PhD Program in Gestione della trasformazione digitale: Imprese, Comunicazione ed Etica (Digital Innovation Management: Business, Communication and Ethics)– University “Niccolò Cusano” Rome. The proposal was approved by the Italian Ministry of Education, Research, and University.

In May 2021, I was invited by prof. Marco Pagano to be part as External Evaluator of the Ph.D. in Economics, University of Napoli Federico II and I evaluated the work of a candidate on the academic year 2020\2021

I served as a member of the scientific board of the B.S.-LAB Business Systems Laboratory from 30 January 2018 to present

In 2015 I organized a session in the IASC conference satellite in Buzios (Brazil).

I was invited in 2019 as a speaker at the third BigDataLatam International Conference on Big Data in Costa Rica <http://www.bigdatalatam.org>

I was invited in 2019 to an organized session by professor Anhurada Roy in ERCIM 2019, London (Computational and likelihood aspects of biostatistical and environmental modeling)

I was invited in 2020 to an organized session by professor Anhurada Roy in COMPSTAT 2020, Bologna (Novel statistical methods for statistically challenging data)

From 2016 to 2017, I served on the organizing committee of the Ipazia Conference in Rome

In 2018 I organized a session at IWCEE 2018 VI International Workshop on Computational Economics and Econometrics, Rome: “Issues and Statistical Methodologies for Large-Scale official Data.”

In 2019 I organized a session at IWCEE 2019 VII International Workshop on Computational Economics and Econometrics, Rome: “Quantitative Methods for Spatial Analysis.”

In 2018 I was on the organizers of the Sustainable Development Festival (Festival dello Sviluppo Sostenibile) in Rome at the University of Rome “La Sapienza” with CED at I tutored a teaching session on “Creating a Vulnerability and Resilience Indicator with R

In 2020 I was a member of the scientific committee of CARMA 2020 in Valencia (Spain) Conference on Big Data in Social Sciences

In 2020 I was a member of the scientific committee of ITISE 2020, 7th International Conference on Time Series and Forecasting in Gran Canaria (Spain)

In 2021 I was a confirmed member of the scientific committee of ITISE 2022, 8th International Conference on Time Series and Forecasting in Gran Canaria (Spain)

In 2020 I was Guest Editor with Matteo Ruggeri on a Special Issue, "Modelling the Costs and Benefits of Alternative Interventions to Manage Health Emergencies," for the Journal International Journal of Environmental Research and Public Health

In 2022 I am part of the Editorial Board of the Financial Internet Quarterly as Section Editor (Statistics, Econometrics, Data Analysis)

In 2022 I am confirmed as a member of the scientific committee of CARMA in Valencia (Spain) Conference on Big Data in Social Sciences

In 2022 I am confirmed as a member of the scientific committee of CARMA 2023 in Seville (Spain) fifth conference on Big Data in Economics and in Social Sciences

In 2023 I am confirmed as a member of the scientific committee of ITISE 2023 in Gran Canaria (Spain) ITISE 2023 (9th International conference on Time Series and Forecasting)

In 2023 I am member of the program committee of the 1st Artificial Intelligence Models and Artifacts for Business Intelligence Applications (AIM&ABIA 2024), organized by the 12nd World Conference on Information Systems and Technologies (WorldCist'24), to be held in Lodz, at Lodz University of Technology, Poland, 26 - 28 March 2024

My research appeared on ATHENA Research Book, Volume 2 is published DOI:
<https://doi.org/10.18690/um.4.2023>.

Italian National Scientific National Habilitation (ASN): Habilitation as Associate Professor in Economic Statistics (sector SECS/ S-03). The qualification lasts for 9 years, from 29/12/2020 to 29/12/2029

Idoneity as Associate Professor in Economic Statistics (sector SECS/ S-03). In a public competition at University Niccolò Cusano, 2 August 2022 (Evaluation of the Committee "Very Good").

Participant on a winning research project at Regione Lazio on the POR FESR Lazio 2014-2020 (research unit University Niccolò Cusano, Rome), 13 April 2021

2002 Prize: "Alla Ricerca di Giovani Talenti -Sezione Ricerca Scientifica-" (Looking for Young Talents – Scientific Research): Distinction.

Idoneity Public Competition to become Senior Researcher\ Assistant Professor in Statistics (SECS\01) University of Naples (20 December 2013)

Idoneity Public Competition to become Senior Research Scientist in the Health Technology Assessment Department at National Health Institute (Istituto Superiore di Sanità 24/9/2019)

Idoneity and Winner on a Public Competition to become Senior Technology Scientist in the Health Technology Assessment at National Health Institute (Istituto Superiore di Sanità 24/9/2019)

Various stories quoting an article by Carlo Drago on Il Sole 24 Ore, La Stampa, L'Espresso etc. (years 2005-2012)

OTHER

Member on a committee of a public competition in MAT/05 for a Senior Researcher Position (Ricercatore RTDA) year 2014 (the University of Rome "Niccolò Cusano")

Member on a committee of a public competition in MAT/03 for a Research Fellowship (Assegno di Ricerca) year 2017 (the University of Rome "Niccolò Cusano")

Member on a committee of a public competition in 13/B2 - SECS P/08 for a Research Fellowship B-Type (Assegno di Ricerca di tipo B) year 2020 (Unicamillus)

Chair of the the Board\Committee for final examination on the graduation degree Engineering (from year 2023) and Economics MSc\ BSc Degree (from year 2022).

Participation on the the Board\Committee member\president for final examination on the graduation degree Engineering and Economics MSc\ BSc Degree.

On the 2017 I was elected on the Executive Board (Direttivo) of the Liceo Classico "Giulio Cesare" Alumni association. Since 2015 I have been a member of the association. In the year 2021 it reconfirmed me as a member of the Executive Board.

In 2018 I organized a Seminar of Statistics and Data Science during the "Notte dei Licei" ("Night of the Educational Secondary Classical Institutes) "Laboratorio di Statistica l'analisi quantitativa dei testi letterari mediante il text mining"

In 2018 I have organized with the Liceo Classico Giulio Cesare a project "Training on the Transition School to Job" ("Progetto Alternanza Scuola Lavoro) Progetto "Data Science (Statistica, Informatica, Ingegneria, Economia).

In 2019 I organized a project on "Training on the Transition School to Job" (Progetto Alternanza Scuola Lavoro) Progetto Data Science with various Higher schools. The School interested in the project with participated was the School ITC "Ferdinando Magellano" in Rome.

From 2015 to 2016, I have written some contributions related to my co-authored research for the site "lavoce.info."

From 2016 responsible for the Unicusano Library Engineering Area (Library "Ferdinando Catapano")

From 2014 I was a member of commissions and/or president for Unicusano examinations (BSc and MSc level) – mostly Committee President.

From 2018 president of Master examinations commissions for Unicusano University

In 2012 I founded an online R Users Group on social media with more than 300 members (researchers and practitioners from many disciplines).

In 2014 I became Mentor at IPE Alumni Association (the year 2014).

From 2014 I am Research\Academic Collaborator at Radio Cusano Campus

From 2019 I am Research\Academic Collaborator at TV Unicusano (Channel 264 in Rome, Italy)

From 2021 I am a Research\Academic Collaborator at Cusano Magazine

In the period 2016-2017 and again from the year 2021, I was enrolled on the Bancari Romani Running Team (Athletics- Running)
