Organisational skills and competences

Giacomo Rizzello is the Director of Traumatology at Campus Bio-Medico University Hospital Foundation. He is an incredibly accomplished surgeon as well as an established researcher. He served in the Division of Orthopaedic of Campus Bio-Medico of from 1998 to 2017. Since 2017, he is the Director of the Traumatology Unit at Campus Bio-Medico University Hospital Foundation.

Technical skills and competences

His clinical focus includes fractures of the arms, legs, pelvis, and managing nonunions. He performs more than 500 orthopaedic surgical procedures each year.

Other skills and competences

Giacomo Rizzello has taught at the degree course in Medicine and Surgery and at the Residency Program in Orthopaedic and Trauma Surgery of the University Campus Bio-Medico for 7 years. In 2017, he obtained the National Scientific Habilitation (ASN). He is author of several peer reviewed manuscripts and chapters published in international books.
